Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Dewey Avenue Reconstruction Project in surface transportation reauthorization legislation. The project sponsor for this project is the City of Rochester and the project is located at Dewey Avenue, Rochester, New York 14621.

The funding is designated for the reconstruction of Dewey Avenue and reimagination of this critical corridor, placing a high priority on all users, including pedestrians, bicyclists, and transit.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: better infrastructure and a safer environment for all users, thereby positively affecting the businesses and residents along the corridor.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Joseph D. Morelle".
