Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Maiden Lane Rehabilitation Center in surface transportation reauthorization legislation. The project sponsor for this project is the Town of Greece and the project is located at Maiden Lane, Rochester, New York 14615.

The funding designated for the Maiden Lane Rehabilitation Project would allow for extensive road and sidewalk rehabilitation.

The project is an appropriate use of taxpayer dollars and is anticipated to have the benefit of not only restoring and improving the pavement conditions, but also to providing a space for bicyclists and completing ADA accessibility throughout the corridor. Ultimately, this work will also greatly improve the connectivity between two major high schools, a senior housing complex, major shopping outlets, area parks and other important destinations.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Joseph D. Morelle".
