Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Town of Greece Snowplow Truck Fleet Replacement Vehicles in Fiscal Year 2027. The entity to receive funding for this project is the Town of Greece, located at 1 Vince Tofany Blvd, Greece, NY 14612.

The funding would be used to acquire six heavy-duty snowplow vehicles to replace an aging fleet of vehicles that range in age from 19 to 25 years. These vehicles are used year-round for both winter and summer maintenance and are critical to maintaining the town's road network. As such, this acquisition will ensure safer and more consistent service to Greece residents. This project represents a responsible and effective use of taxpayer funds by investing in essential public infrastructure while reducing long-term costs. The Town of Greece's Department of Public Works maintains more than 360 centerline miles of roads and plays a critical role in ensuring that police, fire, and emergency medical services can respond reliably, even during severe winter conditions. With approximately 100 inches of snowfall annually, dependable snow removal protects residents, supports daily activities such as commuting to work or school, and ensures goods and services can effectively move throughout the community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Joseph D. Morelle".
