Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for University of Rochester's Advanced Quantum Research Equipment in fiscal year 2024.

The entity to receive funding for this project is University of Rochester, located at 601 Elmwood Avenue, Rochester, NY 14624.

The funding would be used to purchase advanced quantum research equipment, which will provide updated electron microscopy capabilities for advanced research. This project is an appropriate use of taxpayer funds because it will enhance an existing nanofabrication facility that serves the University community, industry and corporations, as well as faculty and students at other institutions.

This project has a Federal nexus because the funding provided is for purposes described in section 272 of title 15, United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Joseph D. Morelle".
