Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for Village of Webster's Community Access Project in fiscal year 2024.

The entity to receive funding for this project is Village of Webster, located at 28 West Main Street, Webster, NY 14580.

The funding would be used to support the redevelopment of a large industrial office complex on the edge of the Village's downtown. This project is an appropriate use of taxpayer funds because the investments will facilitate the reuse of underutilized assets to stimulate private investment and job creation, provide an opportunity for new affordable housing, and expand pedestrian and bicycle access across the community.

This project has a Federal nexus because it is for the purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Joseph D. Morelle".
