

**Congress of the United States  
Washington, DC**

**Office of Congressman Joseph D. Morelle  
25th District of New York**

The Privacy Act of 1974 prohibits federal agencies from releasing personal information about an individual without the individual's express written consent. In order for Rep. Morelle's office to be of assistance, please complete and return this form to the Rochester District Office.

Please note that Congressional offices can frequently intervene to facilitate processes and encourage favorable consideration of constituents' concerns. However, the rules of the House and the constitutional separation of powers do not allow Members to compel agencies to render a specific decision.

**Please mail or fax the completed form to: 255 East Avenue, #150, Rochester, NY 14604;  
771-200-5554 (f)**
